EVINRUDE

225CC

The 225CC was designed to go offshore where the big fish swim and the weather fronts prowl. A higher freeboard, increased seating, and more bluewater features make this boat the only choice for the uncompromising angler.

Length: 22'6" / 6.9m
Beam: 8'6" / 2.6m
Dry Weight: 2800 lbs./1272kg
Draft: 17" / 43cm

Transom Height: 25" / 63.5cm
Fuel Capacity: 135gal. / 540L
Maximum HP: 250

A large volume interior with a forward wraparound seating lets you cruise with 8-10 people.

Ergonomic command centre with plenty of room for electronics and other extras.

Easy access storage area large enough for portable head.
